VBX

TAKE YOUR GROW TO THE NEXT LEVEL.

GET THAT EXTRA GET UP AND GROW.

It's finally here. The first ever two-in-one soluble plant food and probiotic. Upping your potency per pound has never been this easy.

MORE VALUE PER FEED.
Combining the growing power of VEG+BLOOM, STAX, and HMP, this simplifies everything.

MORE CHEMISTRY PER BOTTLE.
It all comes together to maximize mineral uptake for superior growth at all phases.

LEADING THE WAY TO LED.
A future-ready blend of proprietary nutrients were developed to work best in LED spectrum.

UNLIMITED POTENTIAL. LIMITED RELEASE.
This small-batch nutrient is only available direct from us. Grab a bottle while you can.

X MEANS 10.

This one's big. After 10 years of formulating and refining, we can now bring you a once-in-a-decade product that's going to boost your grow like nothing else.

PHASE	LIGHT CYCLE	APPROXIMATE TIME	GROWTH	VBX	SHINE BLOOM ADDITIVE	PUSH FOLIAR SPRAY	EC
