GUARANTEED ANALYSIS

Total Nitrogen (N) 14%
14% Nitrate Nitrogen
Calcium (Ca) 17%
Boron (B) 0.015%
Copper (Cu) 0.01%
0.01% Chelated Copper (Cu)
Iron (Fe) 0.07%
0.07% Chelated Iron (Fe)
Manganese (Mn) 0.025%
0.025% Chelated Manganese (Mn)
Molybdenum (Mo) 0.002%
Zinc (Zn) 0.01%
0.01% Chelated Zinc (Zn)

DERIVED FROM

Calcium Ammonium Nitrate, Iron DTPA,
Manganese EDTA, Copper EDTA, Zinc
EDTA, Boric Acid, Sodium Molybdate

APPLICATION INSTRUCTIONS

May be mixed directly into feed water or mixed in stock tanks for fertigation systems. For every 0.6 grams of Pro Core, use 1 gram of Pro Grow or Pro Bloom to reach desired EC level. Measure desired amount by weight not by volume. Do not combine with other fertilizers in dry form or concentrate solution. Use warm water to dissolve more quickly. Recommended for hydroponic use only.

CONCENTRATE MIXING

Mix your stock tanks at the same concentration to minimize errors. We recommend 2 lbs per gallon. Adjust injection ratio to vary EC.

PRECAUTIONARY STATEMENTS

Hazardous to humans and animals. Causes eye and skin irritation. When mixing and applying wear appropriate protective clothing. Refer to the SDS for detailed information on hazards, precautionary statements, and first aid instructions.

WARNING: The use of fertilizer containing boron (B) on any crops other than those recommended may result in serious injury to the crop. **CAUTION:** The application of fertilizer material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

FIRST AID

If this product gets in the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes, lifting the upper and lower lids. Seek immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention.

STORE CLOSED IN ORIGINAL PACKAGING AT A TEMPERATURE BETWEEN 45°F AND 100°F (7°C AND 38°C).

Keep dry to avoid clumping. Five-year shelf life from manufacturer date if stored properly. Information regarding the contents and levels of metals in this product is available on the Internet at:
<https://www.aapfco.org/metals.html>

SOLUBLE BASE FERTILIZER

KEEP OUT OF REACH OF CHILDREN AND ANIMALS

WARNING: CAUSES EYE AND SKIN IRRITATION.

Made in the USA from domestic and imported materials.
