

INGREDIENTS

Active Ingredients

Rosemary.....10.00%

Inert Ingredients.....90.00%

Water, Polyglyceryl Oleate, Lauric Acid

Total.....100.00%

HOW IT WORKS

Natural salts and fatty acids derived from rosemary extracts and oils disrupt the insect cell structure causing the insect to dehydrate and die. SNS 217c™ kills spider mite eggs by coating them with an oily shield which prevents respiration. Therefore no hatching will occur, they will just dry out.

DIRECTIONS

SHAKE WELL BEFORE USE

Foliar Spray - Plant Site Use For All Plants

(Leaves "Foliage," Stems, Stalk, Fruit and around Flowers), **Coverage** = 1 gallon solution will cover approximately 550 square feet. No restricted entry interval (REI)=0.

Mix 21 fl oz. (Approx. 2 ¾ Cups) to 26 fl oz. (3 ¼ Cups) of concentrate per 1 gallon of water*. For best results use warm (70 degree) Distilled or "Chlorine Free" water. Mixed solution may be used immediately or stored for up to 2 weeks.

*Depending upon severity of infestation several applications may be required. If needed spray every 3-5 days until you have control of the problem.

Complete coverage of all plant tissue is necessary for control. Make sure to spray under the leaves where spider mites hide and lay their eggs. To reduce the chance of burning do not use under direct sunlight or grow lamps. Use on a 7-14 day schedule as preventative maintenance.

SPIDER MITE CONTROL FOR ORGANIC GARDENING

KILLS & REPELS SPIDER MITES & THEIR EGGS

Use in Herb, Vegetable, & Flower Gardens,
Greenhouses & Hydroponics

CONCENTRATE - 1 GALLON MAKES UP TO 6 GALLONS

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide, and Rodenticide Act. FIFRA 25(b)

PRECAUTIONARY STATEMENT

Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

FIRST AID

If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Call poison control center hotline 1-800-222-1222 if over exposure occurs.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.
